The diagram illustrates the installation of the upper part of a door. The main view shows the door frame with the upper part being lowered into place. Two circular callouts provide detailed views of the corner joints. The top callout shows the upper part being lowered into the frame, with arrows indicating the direction of movement and the number 1 indicating the position of the upper part. The bottom callout shows the lower part being lowered into the frame, with arrows indicating the direction of movement and the number 1 indicating the position of the lower part.
